

Justyna Kwaśniak

Frontend Developer

Kraków

796656814

jkwasniak193@gmail.com

As a highly motivated and determined aspiring Front-End Developer, I am eager to transition into a commercial development role. I have completed an intensive course and am actively building my portfolio, which has provided me with a strong foundation in front-end technologies including JavaScript, TypeScript, HTML, CSS, and React. My previous experience working in the medical and hospitality industries has honed my ability to work effectively within a team and manage multiple tasks. Although I am new to the commercial side of front-end development, my dedication to continuous learning and passion for creating user-friendly, visually appealing web applications drive me to excel in this field.

Skills

- **Hard skills:**

- HTML5, CSS3, JS (ES6+), TS

- Analytical thinking
- Problem-solving skills
- Adaptation to changing conditions
- Productive time management
- Effective communication
- Self-motivation and discipline

Professional Experience

2020-01 - Current

Medical Registrar

Voxel, Krakow, Poland

As a Medical Receptionist, I work directly with patients to manage appointments, handle inquiries, and ensure a smooth patient experience. I collaborate closely with the medical team to streamline operations and maintain efficient workflow. Additionally, I am responsible for training new staff members, equipping them with the necessary skills and knowledge to perform their roles effectively. My role involves a strong focus on teamwork, patient care, and operational excellence.

Education

2012-10 - 2015-06

Bachelor: Journalism And Social Communication

Maria Curie-Skłodowska University - Lublin - Lublin, Poland

During my studies, I worked for two years at Academic Radio Centrum in Lublin in the news department, where I gained my first journalistic experience by delivering news bulletins. As a reporter, I conducted interviews with local politicians and activists and participated in numerous press conferences. Additionally, I completed a specialization in Judaic Studies at UMCS, which gave me insight into the history and culture of the Jewish people, as well as a foundation in Hebrew and Yiddish languages. In 2015 and 2016, I completed several months of internships at Onet and Radio TOK FM in Kraków.
